THE SABEL COMMANY SURVEYERS

THE A. S. ABELL COMPANY, PUBLISHERS BALTIMORE, MD. 21203

I'm enclosing the New Times article: This Anson, who wa a contributing editor of the neagazine. does a good job of summing op the doubts, but achieve belogs his debte to me one. Naturally he draws on your books, too.

He does and with an interesting the does and with an interesting the does and with an interesting the one one one was nearly before.

theory, one the never heard before. He suggests a CIA - Maria Complex.

· Sincerely,

Henry Scarpa
